### **3. Transportation**

Arrivals and Departures are from Larnaca International Airport (which is the closest airport to Protaras). Average distance time by car is 45 minutes.

- **Taxi:** The most convenient option from Larnaca Airport to Protaras is by taxi. We have contacted the taxi company we co-operate with and they have given us the special price of €50, from Larnaca Airport to Protaras hotels. The taxi can be shared by four people with small size luggages. The price is the same for your return from Protaras to Larnaca Airport. When making your booking, make sure to mention

you are here for the meeting and conference with Mr Makrides. You will have to pay **cash** directly to the company and they will issue a receipt for you. To arrange your transfer, you can directly contact the company using the information below:

**Company:** KARATZIAS Taxis

**Phone number for direct communication:** +357 24644700

**You can also take a taxi on the spot upon your arrival but we cannot guarantee the price of the route, which sometimes depends on the time of transfer. It should not exceed 60 euro and by law you pay what is on the meter.**

- **There is no route for bus directly from Larnaca Airport to Protaras. In the summer months the following company offers shuttle bus transfers from Larnaca airport to Ayia Napa or Protaras (Ayia Napa is 10 km from Protaras and there is 1-2 euro bus transfer from there) .
