

INVITATION

Thursday, 22 June, 2017

19:00-20:00

HILTON CYPRUS

Room KANTARA

**EAEC Networking Group for EU Funding Opportunities
Presentation of the new information tools and the European EAEC Task Force
Kick-off of the EAEC European Office in Cyprus**

The European Association of ERASMUS Coordinators (EAEC) with the support of PROGNOSIS has the pleasure to invite you to the launching of its new funding information scheme and tools, networking portal and the EAEC TASK Force Group, which aims to provide to the EAEC members a standard funding information support as part of the low cost annual membership fee with an additional option to network with consortia development support and preparation of proposals under the EAEC Task Force, supported by PROGNOSIS and coordinated by the EAEC European Office in Cyprus and in other countries.

The support is based on four pillars, (1) Information on Funding Calls, with access to a daily calendar and with newsletter weekly alerts as reminders, (2) Networking through a special designed portal with option to participate in Thematic Innovations Meetings/Contact Seminars, (3) Partner Search and Consortia Development and (4) Proposal Preparation Support.

Programmes supported include among others the HORIZON2020, ERASMUS+ (KA 1,2,3) and more. During the presentation you will have the opportunity to see how the four pillars will be operating, who are the EAEC Task Force members and be able to ask related questions.

All participants are invited to dinner at the Hilton Cyprus hotel immediately following the presentation provided they reserve their place by 19 June 2017 (maximum 50 places).

Presenter:

Prof. Gregoris A. Makrides,

President – European Association of ERASMUS Coordinators

President – European Association of Career Guidance

President – Mathematical Society of South-Eastern Europe

CEO of PROGNOSIS
